

# Electromechanical Automation Product Discontinuance

**Bulletin #** SD783  
**Date:** Tuesday, November 27, 2007  
**To:** Parker Channel Partners  
**Product:** EDC, TDC, and XDC Products  
**Subject:** Product Obsolescence – DC Controller Products

**Product Obsolescence Notice – Due to lack of parts availability, Parker Hannifin must obsolete all DC controller products effective January 31, 2008. Specific part numbers are listed below.**

## Last-time Buy

---

Parker will accept a last-time buy for these products up to January 31, 2008, or when component inventory is eliminated, whichever comes first. After this date, sales will be limited to those products still in Parker inventory. Repair of existing products will continue until component availability makes this impossible.

## Part Numbers Impacted

---

<u>Part Number</u>	<u>Description</u>
113676-08	TDC POWER SUPPLY
114558-04	BATTERY-LITHIUM,3.6V1.9AH
114817-50-KIT	XDC SYSTEM EPROMS,REV AL
119553-68	P.S. NEW XDC 700 TYPE
395361-94	CKT CARD ASSY
411190-01	KEYPAD OVERLAY
419233-01	KEYPAD MTS P/N 41
429576-04	TDC 200
433853-01	GASKET SET, REMOTE KEYPAD
436279-01	KIT K/P
445114-01	EDC 200 (LS-FMC)
445114-04	EDC 200
467284-02	LCD/KEYPAD REPLACEMENT
469876-01	XDC-700
469877-01	ENCODER MODULE C VERSION
469891-01	XDC-710
470645-01	REMOTE OP INT KIT/KEYPAD
485328-01	KEYPAD

All associated custom products and VRP specials will also be made obsolete.

## Alternative Products

---

Parker suggests the ACR9000 as the alternative to the DC controllers. Please contact our Applications Engineering department for specific recommendations.

## Pricing

---

**Last-time buy purchases made on or before December 31, 2007, will be honored at the current pricing.** Purchases made between January 1 and January 31, 2008, will be priced at a 10% premium over existing pricing to accommodate expediting of materials and purchases of parts at non-contracted rates.
